## #1 SINGLE ACROSS AUSTRALIA

### ROCKABYE

Clean Bandit ft. Sean Paul & Anne-Marie | WMA

After five weeks of a James Arthur dominated Artist Top 50, *Say You Won't Let Go* finally loses its grip on #1. Replacing it is Clean Bandit's *Rockabye* ft. Sean Paul & Anne-Marie. Their biggest hit since 2014's mammoth *Rather Be* ft. Jess Glynne, its success is propelled by more than just radio. Though taking #1 on the Hot 100 up from #2, it also tops the iTunes chart and is not far behind on the Spotify chart either, sitting at #4, up from #6.

Since becoming available on the streaming service on December 9, it's amassed a huge 81 million streams, while keeping up 18 million monthly listeners, making them the 21st most streamed artist in the world right now.

The remainder of the Top 5 remains indicative of what's hottest right now. Arthur, though no longer #1, still sits strong at #2 while The Weeknd's *Starboy* returns to #3 from #7 following the release of his new album. Calum Scott's *Dancing On My Own* re-enters at #5 from #26, coinciding with the recent release of new single *Rhythm Inside*.

## #1 MOST ADDED TO RADIO

### GIRLFRIEND

In Stereo | WMA

Dominating additions this week is Australian boy band In Stereo. Their new hit *Girlfriend* saw adds across commercial and the SCA Network via additions to *Ash London Live*. It also received love from the Nova Network where it earned additions to the nights rotation.

The Weeknd's *I Feel It Coming* makes it at #2 following last weeks #1 thanks to late adopters KIIS 106.5 and 101.1. The track also saw various additions and increased rotation on the majority of the commercial Hit stations.

Bliss N Eso have new single *Friend Like You* out this week, though the *Ash London Live* show, as well as FoxFM and Hit107, couldn't resist and picked the track up early, propelling it to #3.

## #1 SINGLE TO RADIO

### BLACK BARBIES

Nicki Minaj | UMA

Rae Sremmurd's *Black Beatles* is one of the biggest breakthrough successes of the year. Their first ever #1 on the Billboard 100 is now at the top for the fourth week running. Now, Nicki Minaj has released her freestyle take on the breakthrough banger, re-titled *Black Barbies*. Originally released only on SoundCloud where it clocked up 15 million streams alone, it's a fun take on the breakout hit with various political overtones making their way through the verses.

Zara Larsson's *I Would Like* finally gets an official service following weeks of early adoption. So many have jumped on the track that it is already at #26 on the TMN Hot 100.

Dancehall heavyweights Major Lazer have collaborated with Showtek on new hit *Believer*. It marks Major Lazer's first new release since *Cold Water* ft. Justin Bieber & MØ was released earlier in the year. An undeniable hit, it's now over halfway to a billion streams on Spotify.

Bliss N Eso's new *Friend Like You* gets its service this week following the love that was shown by commercial. Machine Gun Kelly & Camila Cabello's *Bad Things* gets an official service to the remainder of commercial radio that haven't already picked it up.

## RADIO WRAP

Clean Bandit's *Rockabye* tops the Hot 100 this week, overthrowing James Arthur's *Say You Won't Let Go* which has fallen to #2. Their first #1 since *Rather Be* ft. Jess Glynne topped the chart in 2014, it's the only upward movement in the Top 5 aside from Neiked's *Sexual* moving back up to #3, falling short of its previous peak at #2.

Placing just outside the Top 10 is the new single from The Weeknd, *I Feel it Coming* ft. Daft Punk which shoots to #11 from #54. The huge jump only pushed it to #3 on the Heatseeker chart however, with #1 coming from Robin Schulz & David Guetta's *Shed A Light* ft. Cheat Codes. It leaped to #26 from #79 on its second week in the chart, a total of 53 places.

PNAU's *Chameleon*, no stranger to the Trending and Predictive charts, makes its way to the Top of the Hot 100 Breakers, ahead of Bernard Fanning's *Reckless*. Although failing to crack the main Hot 100, it is still fighting it out at #2 on the Breakers chart.

*Reckless* still holds the top of the Triple M Spins Chart, however, triple j's top spun track is once again San Cisco's *SloMo*. The Hit network shifted their top track to The Weeknd's *Starboy* while Nova backed *Sexual* as their top spun track. KIIS's support of Hailee Steinfeld's *Starving* is unwavering as the track remains the network's most spun track for a fourth week in a row.

## CHRISTMAS RELEASE SPOTLIGHT

### FATHER CHRISTMAS

Tijuana Panthers | INERTIA

Surf rock/garage pop trio Tijuana Panthers channel their raucous energy into holiday jingle *Father Christmas*. A Kinks classic, it's playful, fun and a little bizarre. The song is a perfectly wrapped package for Tijuana Panthers to cover and give as a Christmas gift.

Earlier in the year, the group released the EP *Ghost Food* to their 35k+ social media fans and currently boast a noteworthy 61k monthly listeners on Spotify. *NOBQ*, this hit off 2014's *Wayne Interest* album, now sits just south of a million streams.

## ONES TO WATCH

Mighty Mark's viral hit *F Trump* remains atop the Spotify Viral 50 for another week while Noah Cyrus' debut single *Make Me (Cry)* ft. Labrinth makes a slight move up to #2 from #3. Dune Ratt's new comical single *Scott Green* debuts at #8 following the hype generated by triple j on their social media channels.

The real star of the Trending & Predictive charts this week is The Weeknd's *I Feel It Coming*. Since the release of his new album *Starboy*, support for The Weeknd has once again skyrocketed. The track, which was last week's Most Added Track To Radio, is #1 on both the Shazam Future Hits chart as well as the Shazam Movers chart. Though not as high, it also saw minor success on the Spotify Viral chart with a #7 placing.

The global LyricFind chart (see Australian & International Digital Charts) demonstrates the influence and reach that the album has been having, with chart entries at #3 (*Starboy*), #4 (*Party Monster*), #5 (*Reminder*), #6 (*I Feel it Coming*), #8 (*Attention*) and #9 (*Ordinary Life*).

As their viral dance hit *Juju On That Beat* takes #2 on the Pandora Top Spins chart and continues to have the whole world sliding and dropping, Zay Hilfigerrr and Zayion McCall take the top spot on Pandora Trendsetters, passing both Aminé and \$UICIDEBOYS\$. This week, they saw just over 9,000 Artist Station Adds as well as a week-on-week 14.4% increase in YouTube subscribers.

In typical Air NZ humour, this cheeky rendition of Winter Wonderland is a crack-up! Ronan Keating ventures down under to learn how to do Summer in New Zealand, with some help from legendary actor Julian Dennison (Hunt for the Wilderpeople, Paper Planes).

This year, Sony/ATV worked with Trailer Media and TBWA. They pitched suggestions from their iconic Christmas song catalogue including the Slade classic *Merry Xmas Everybody*. The track was re-recorded for the spot by the David Jones Choir. Originally written and recorded by classic British Glam Rock outfit Slade, the song hit #1 in the UK in December 1973 and forms a part of a string of #1 hits including *Coz I Luv You* and *Cum On Feel the Noize*.

## CHRISTMAS RELEASE SPOTLIGHT

### WINTER SONGS

Gavin James | MUSHROOM

Gavin James caps off a stellar year with the release of *Winter Songs*, a Christmas EP. *Winter Songs* contains six covers of popular Christmas songs, and James has made each of them his own. He has over 125 million total streams, and the single *Nervous (The Ooh Song) [Mark McCabe Remix]* has over 51 million streams worldwide.

James found success in Australia with *Nervous (The Ooh Song)*, gaining adds across The Hit Network, KIIS in Melbourne and Sydney, and Nova Brisbane. James toured Australia in September, playing shows to sold-out crowds in Melbourne, Sydney, Brisbane, and Perth.

## OVERVIEW

Peking Duk's *Stranger* has now spent five weeks at #1 on the Hot 100 Australian Artists chart. The track matches the length of time that James Arthur's *Say You Won't Let Go* held the Artist Top 50 and could very well set the new record for longest time at #1 in any chart since the Australian Singles Report's inception.

Fremantle indie sweethearts San Cisco take a new peak at the top of the Hot 100 Alternative chart this week with *SloMo*. Additionally, it returns to the Top 5 of the triple j Spins Chart for a fifth week, now interrupted, and also scores a #5 placing on the triple j Hit List. The last time San Cisco held #1 on the Hot 100 Alternative chart was in November 2014 with their track *Run*.

After multiple unobstructed weeks of dominating the AIR Singles and AIR Radio Play charts, Sia's *The Greatest* ft. Kendrick Lamar sees some healthy competition. The release of Flume's *Skin Companion EP* has proved to be well received on the Singles chart, propelling it to #1, as well as seeing a resurgence of previous singles *Never Be Like You* and *Say It* at #3 and #4 respectively. *The Greatest* holds the Radio Play chart for now, with no new Flume radio service hitting the airwaves just yet.

8 Ball Aitken shakes up the Amrap Regional chart with *Shut The Front Door*, his first ever #1 on the chart and first ever chart placing outside the TMN Official Country Airplay chart.
