#1 SINGLE ACROSS AUSTRALIA

ROCKABYE

Clean Bandit ft. Sean Paul & Anne-Marie | WMA

After The Weeknd's brief stint at the top of the Artist Top 50 towards the end of last year, Clean Bandit's *Rockabye* ft. Sean Paul & Anne-Marie reclaims the top spot in 2017. Now on its eighth week in the chart, *Rockabye* has some serious competition in the form of ZAYN & Taylor Swift's powerful collaboration *I Don't Wanna Live Forever*, which debuts at #2.

Sydney artist Starley makes a noteworthy jump to #4 from #25 following widespread adoption at radio and online. The track, which was released last October, quickly took off overseas and is now experiencing similar local success as the most played track on the Nova network.

Two debuts make it into the Top 20 with Steve Aoki & Louis Tomlinson's *Just Hold On* entering at #12, followed by PNAU's *Chameleon* at #18.

#1 MOST ADDED TO RADIO

CASTLE ON THE HILL

Ed Sheeran | WMA

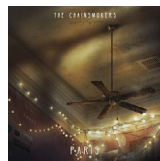

In an impressive feat of radio domination, Ed Sheeran takes both #1 and #2 on the Most Added chart with *Castle On The Hill* and *Shape Of You*, respectively. Both tracks saw across the board additions to the Nova network, both KIIS stations and all commercial Hit stations as well as the Ash London Live show.

Sia's *Move Your Body* saw similar levels of success, only losing out on KIIS 101.1. Sage The Gemini's *Now And Later* and Snakehips' new cut *Don't Leave* ft. MØ also enjoyed stellar weeks.

#1 SINGLE TO RADIO

PARIS

The Chainsmokers | SME

Australia can't get enough of The Chainsmokers. Previous hit *Closer* ft. Halsey blew up in the country, achieving 7x Platinum certifications and recently hitting one billion views on YouTube. They've now followed this up with *Paris*, their latest cut to feature one half of the duo, Drew Taggart, adopting lead vocal duties. Taking on more of a restrained approach than previous hits, the track is as much a pop ballad as it is an EDM banger.

Also hitting commercial next week is the debut track from veteran songwriter Julia Michaels, as well as a re-service from JP Cooper that's worth keeping an eye on.

Jax Jones' playful cut *You Don't Know Me* ft. Raye ought to turn quite a few heads while Amine is set to tackle both commercial and alternative with the service of *Caroline*.

RADIO WRAP

Clean Bandit returns to #1 with *Rockabye* ft. Sean Paul & Anne-Marie after being knocked off the top spot by Neiked's *Sexual* at the end of last year. The group's last #1 was their 2014 hit *Rather Be* ft. Jess Glynne, which was also the #1 Single of the Year in *TMN's* Year End Chart. Support for *Rockabye* is starting to wane however, with none of the major commercial networks accumulating enough airtime for the track to feature in their top spins list.

ZAYN & Taylor Swift's new cut *I Don't Wanna Live Forever* makes some serious gains on its second week in the Hot 100, now at #3 from #31. At this rate, the track is well on its way to #1.

I Don't Wanna Live Forever is also making waves on the Hot 100 Heatseekers chart where it placed at #3. Topping the chart is PNAU's now undeniable crossover hit *Chameleon*. The track shot to #20 from #82 and features in the Top 5 of triple j, Hit and Nova's spins charts - that's adoption across alternative AND commercial radio.

Big Sean tops the Breakers chart with *Bounce Back* and is tailed by Skeggs at #2 with *Spring Has Sprung* which also comes in at #3 on triple j's spins chart.

Starley's *Call On Me* is experiencing plenty of love on commercial, and currently sits at #1 in Nova Network's spins chart while ranking at #2 for Hit. Triple M are still right behind Bernard Fanning on *Reckless*, while triple j are putting most of their support behind Thundamentals' *Think About It*.

NEW SINGLE SPOTLIGHT

YOU DON'T KNOW ME

Jax Jones ft. Raye | ETC

London producer Jax Jones has stormed into 2017 taking out the first Shazam UK #1 for the year. *You Don't Know Me* is currently sitting at #5 on UK iTunes top 10 on Spotify and still climbing. The track is the #3 highest entry at UK radio this week (only behind Ed Sheeran) and the #1 mover at commercial radio in the UK, with Capital FM and Radio 1 already on board.

Locally, triple j added the track to a full rotation in December and it has already been picking up plays on commercial radio ahead of its official service. Already charting on iTunes and Shazam in Australia, *You Don't Know Me* is set to replicate its huge success in the UK.

GIVE

You Me At Six | MUSHROOM

You Me At Six's *Give*, from their brand-new album *Night People*, was released to rave reviews from fans and critics alike. *DIY Mag* praised the song saying it is "... a song which will undoubtedly become known as one of their finest."

Now a decade into their career, You Me At Six are focused on the serious business of becoming Britain's biggest and best rock band. The group have had 14 consecutive A-list singles on BBC Radio 1 and *Give* is tipped to follow suit.

Night People peaked at #3 on the Australian iTunes chart and #1 on the Australian iTunes Rock chart on release. You Me At Six have 1.6 million monthly Spotify listeners and *Give* has over 2.5 million streams, and counting, worldwide.

OVERVIEW

Peking Duk enjoy their seventh week at #1 on the Hot 100 Australian chart this week with *Stranger* ft. Elliphant. The only real competition facing the duo is PNAU's *Chameleon*, which is making its way across both commercial and alternative, just like *Stranger* did in early December. *Chameleon* also currently holds #1 on the triple j Hit List.

What So Not sits atop the Alternative chart this week with *Waiting*, making for the producer's highest ever chart appearance. Flume's *Never Be Like You* holds the AIR Singles chart for another week, as does Sia's *The Greatest* on the Radio Play chart.
